01:15 GOODMAN: George [Webb] has been manipulating everyone, particularly me. Everyone knows that we were working together and that I was paying for food and travel and bailing George out of jail and flying him to Zanesville. Putting him in hotels for his defense. I did this because I thought we were friends and colleagues. But, what I have realized is the George is quarterbacking a psychological operation that is designed to sabotage Crowdsource The Truth.

14:50 GOODMAN: But, Mr. Sweigert has been a very malicious actor throughout this whole entire thing and there are still people watching who are going to doubt what I say. "Aww, George is always nice, he is always supporting you." He sent me this e-mail about a week ago – stark contrast to how he behaves in public. [DISPLAYS E-MAIL]

You are a stupid fuck.

Both George Sweigart and David Sweigart are instructed to terminate all contact with me, the very act of emailing individuals from Redbubble, Patreon and PayPal is evidence of tortious interference. You both insist on repeatedly adding evidence to the growing file. Start making better decisions.

Do not contact me, do not publish material on the internet about me. Do not harass my ex wife Tatyana [REDACTED]

You should both consider this an official warning. I have already begun to exercise my legal rights and everything you say could be used in civil or criminal prosecution should occur.

15:23 GOODMAN: But, we're seeing in blue my message to them alerting them that contacting PATREON.COM, and PayPal and the various methods by which I monetize Crowdsource The Truth in the way that David Sweigert has telling them lies that I am .. in crimes against minors .. the various things that he tells them. That is tortious interference that is a civil tort. That's malicious and that's not good.

1
2 16:16 GOODMAN: You better stop that Dave, because all that stuff is going to the FBI.
3 And you see it is interesting. How aggressive you guys have become
4 since I announced my conversations with the FBI. I am serious about
this gentlemen. I am not interested in suing a bunch of broke losers.

5 16:40 GOODMAN: I have been involved in lawsuits. I have never lost a lawsuit. And I
6 don't intend to now.

7 16:58 GOODMAN: Sort of a distributed harassment campaign .. a decentralized
8 harassment campaign.

9 17:44 GOODMAN: George [Webb] is playing his role in the distributed harassment
10 campaign. They've got Frank Bacon, they've got Titus Frost – who
is Dean Fougere – all these guys are playing their part.

11 18:05 GOODMAN: I am persistent. And I am working on a way to figure out how to
12 bring criminal prosecution against these people. Because I don't care
about suing them.

13 20:30 GOODMAN: But, even if that lawsuit [Robert David Steele] went the distance,
14 went to court, went in front of a jury, which I doubt it will – but, I
15 guess it would be entertaining. You would learn a lot about the
16 persistently lying Robert David Steele through discovery and all these
17 things that haven't happened yet. Even though he has said he has
18 learned through discovery that I am paid \$3,000 by Mossad -- that's
a total lie. And I have downloaded the video Robert, so don't worry,
that is going to be ... that is in the evidence package that I presented
to the FBI.

19 32:28 GOODMAN: He directly accused me of being a pedophile, Douglas Gabriel. You
20 had best get some evidence.

Film Summary

So due to the harassment I have received by Jason Goodman of CrowdSource the Truth for calling him out as a moron and an idiot. Jason has decided that he can't handle the criticism so he started harassing my place of work to get me fired.

Jason has threatened me with criminal prosecution for making two videos about him and tweeting at him. However Jason just spent the morning trying to get me fired and harassing me and my Dad at work, so I will be keeping a record of all this, and if Jason even thinks about involving the court system or the Police I will counter sue him for every penny he has left and file a cease and desist order on him for the slander he has put online about me.

Basically Jason Goodman has lost his mind, he thinks that by trying to get me to remove two videos will stop the criticism of him. He blamed me for contacting his "guest" whom I still have no idea who this guest was, and Jason blames me for him losing some interview. Of course at the time I was without power, without cell service or internet. So unless I was mailing out carrier pigeons then it was not me who contacted his guest. Still Jason has no problem slandering me with this bogus claim that I somehow got his interview canceled.

So to wrap this up, Jason Goodman is a moron, and a fucking idiot. His cell phone number is 323-744-7594. Feel free to call him and let him know how you feel about this censorship of my channel.

16 When you have to resort to the crap Goodman is doing, you have already lost.

17 I am done with Crowdspoofing the Goof, he is self destructing regardless of me responding to
18 his bs.

19 Oh an by the way Jason Goodman during his phone call with me, accused me of being behind
20 Steemit which he called a scam. He is trying to prove that somehow I am personally responsible
21 for the "scam of steemit", for my promoting this website. He is even harassing Dan Larimer to
try and argue it out with him.

22 Jason Goodman is a coward, a liar and a piece of shit, the end.

5 User Conduct

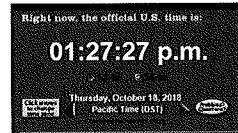

7 Don't do bad stuff. Be responsible and use common sense.

8 You are responsible for all the activity on your account. If
you do bad things we may terminate your account. For
starters:

- 9 • **Illegal Activities** - Don't break the law or encourage
others to break the law.
- 10 • **Abuse** - Don't harass or bully others, or promote
violence or hatred towards others.
- 11 • **Personal Information** - Don't distribute others'
personal information or otherwise abuse it. Creators
with access to their patrons' personal information
should not use it for anything unrelated to Patreon.
- 12 • **Fraud** - Don't post information that is false or otherwise misleading.
- 13 • **Impersonation** - Don't impersonate anyone. Don't use another's account, or allow others
to use your account.
- 14 • **Username Squatting** - Don't create an account to prevent others from using the name
or to sell the name.
- 15 • **Intellectual Property** - Don't infringe on others' intellectual property rights.
- 16 • **Spam** - Don't spam others or distribute unsolicited advertising material.
- 17 • **Malware** - Don't use Patreon to host or distribute malicious or destructive software
- 18 • **Endorsement** - Don't claim endorsement by Patreon without our prior written approval.
- 19 • **Service Degradation** - Don't degrade others' use of Patreon.
- 20 • **Data Mining** - Don't crawl, scrape or otherwise index information on Patreon. If you are
doing this to create a useful feature then we may allow it, but you must check with us
first.
- 21 • **Reward Sharing** - Don't support a creator and then share their patron-only content
without permission from the creator.
- 22 • **Reverse Engineering** - Don't take apart Patreon to figure out our secret sauce. If you
want to do this as part of our bug bounty program, then please ask to be invited through
HackerOne first.

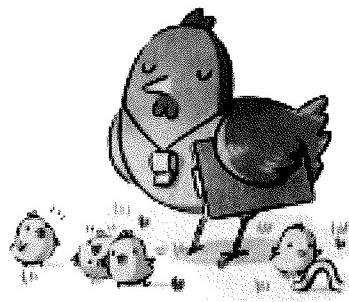

23 Please also see our community guidelines for specific guidance in some of these areas.
24 These guidelines are not meant to be exhaustive. If you find a new and creative way to hurt
Patreon or our users we may take action to prevent it.

1
2 Patreon's Role
3

4 While Patreon supports content creation, we do not legally endorse any content on our
5 site. If content is reported we may remove it, but we do not take that action lightly.

6 We only provide a platform for creators and patrons to
7 interact. We do not screen or endorse any content on
8 Patreon. If you see content that violates these terms, then
let us know and we may remove it.

9 Removing content or terminating accounts is not an action
10 we take lightly and we may take a while to investigate or
open the issue up to further discussion with the community.

11 We are constantly testing out new features with the goal of
12 making Patreon better. We may add or remove features,
and often test features with a random subset of our users.

13 If we believe a feature is significantly different from these
14 terms, then we explain those differences in the test.

15 With your permission, we may give other websites or services the ability to verify information
16 about your Patreon account or perform actions on your behalf. This permission is asked for
when you connect your Patreon account to these other websites or services. Information can
include the existence of your account, pledge amounts and length of support. Actions can
include creating, editing or deleting pledges and any other interaction with creators such as
posting messages or liking posts.
